

# Burbank Business Park Burbank, Washington

The Burbank Business Park is 112 acres with mixed zoning of light industrial and commercial located near the confluence of the Columbia and Snake Rivers and 6 miles south of the City of Pasco and 35 miles west of the City of Walla Walla. The Burbank Business Park is adjacent to Port’s Burbank Industrial Park which includes such assets as a cargo dock, two barge slips and rail served by BNSF Railroad. The Burbank Business Park is adjacent to U.S. Highway 12 and minutes from Interstate 395. The Park has excellent truck access, potable and fire suppression water, electrical, and natural gas services. The Park lots are available for sale or lease and can be configured to accommodate your specific business needs. Additional information is available at <http://www.portwallawalla.com/real-estate-84/available-industrial-sites>
