BURBANK BUSINESS PARK WATER SYSTEM**

Public Notice

Water Use Efficiency Program - Burbank Business Park Small Water System Management Program

All municipal water suppliers are required by the Washington State Department of Health to hold a public forum [WAC 246-290-830 (4) (b)] to discuss water use efficiency goals. Water use goals are used to help manage the growing demand for water. The Port of Walla Walla will hold a public meeting on August 24, 2023 at 1:00 pm at the Port of Walla Walla Administrative Offices, 310 "A" Street, Walla Walla, Washington. The purpose of the public meeting is to discuss the Water Use Efficiency Program and establish water use goals and measures for the Burbank Business Park Small Water System Management Program. Residents may participate remotely by calling into the public meeting at (Toll Free): 1 877-309-2073, Access Code: 661-367-517 or participate remotely via video at: <https://global.gotomeeting.com/join/661367517>. The conference line and video access will be opened at 12:55 PM

The 2023 Small Water System Management Program is located on the link below and the water use efficiency program is found in Chapter 2.9
